Re: Public Records Request

Dear Mr. Peterson:

On August 14, 2013, the Middlesex Sheriff's Office ("MSO") received your public records request dated August 8, 2013.

The MSO is in the process of reviewing your request. Depending on the content of the documents, redaction or nondisclosure may be appropriate. Also, as you may know, when responding to a public records request, the MSO may, pursuant to 950 CMR 32.06, charge the requesting party for the costs associated with researching, segregating, copying, and assembling the requested information. If a cost estimate is deemed appropriate, the MSO will inform you of the cost prior to filling the request.

Sincerely,

A handwritten signature in black ink, appearing to read "James P. Wiencek", followed by a long horizontal line.

James P. Wiencek, Esq.
